

# ANNUAL ROAD TAX

Road Traffic Control Act [CAP 29]

## Important Information

### How much is the road tax?

Road tax is based on the cylinder capacity (cc) and tonnage or payload. Refer to Table 1.1

### When is road tax due?

Road tax is due on or before the 31st March of every year. Payments made in April will attract a penalty of 25% and from May 50%.

### What must I do before paying my road tax?

Before any road tax payment is made, the following documents must be provided:

- A copy of Vehicle registration Book reflecting the current owner
- Road worthiness Certificate
- Certificate of Business License for Public Transportation and Hire /Rental Services

### How do i get another road tax sticker if mine was stolen from my car?

It will cost you the same amount to get a replacement. Vehicle involved in an accident would require a police report
